Infusion Therapy Contract

It is hereby agreed between the Department of Rehabilitation Services and the Infusion Therapy provider named on the signature page, that the Infusion Therapy provider shall be a Provider in Department of Rehabilitation Services’ network of providers.

This contract is entered into for the purpose of defining the conditions for reimbursement by Department of Rehabilitation Services to the Provider. It in no way is meant to impact on the Provider’s decision as to what is considered appropriate Infusion Therapy services.

I. RECITALS

1.1 Department of Rehabilitation Services (DRS) is a statutory body created by 74 O.S. § 166.1, as amended, to administer and manage a certain program of medical care for persons eligible for public assistance.

1.2 The Infusion Therapy provider shall be qualified and duly certified to participate in the Medicare program under Title XVII of the Social Security Act, and shall comply with all applicable federal, state, and local laws, regulating such services and satisfies additional credentialing criteria as established by DRS.

1.3 The intent of this Contract is to provide access to enhanced quality Infusion Therapy services at an affordable, competitive cost to DRS and its beneficiaries.

1.4 Failure to abide by any of the following provisions may result in non-renewal of the Contract or may be cause for termination.

II. DEFINITIONS

2.1 "Allowable Fee" means the maximum charge payable to an Infusion Therapy Provider for a specific product in accordance with the provisions in Article VI of this Contract. The Provider shall charge the usual and customary fee unless the fee schedule limits otherwise.

2.2 “Emergency medical condition” means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in a condition described in clause (i), (ii), or (iii) of section 1867(e)(1)(A) of the Social Security Act (42 U.S.C. 1395dd(e)(1)(A)).

2.3 "Infusion Therapy" means those services provided by a Network Infusion Therapy Provider that are pre-authorized by DRS.

2.4 "Medical" means belonging to the study and practice of medicine for the prevention, alleviation or management of a physical or mental defect, illness, or condition.
2.5 "Medically Necessary" means services or supplies that, under the provisions of this Contract, are determined to be:

a) appropriate and necessary for the symptoms, diagnosis or treatment of the medical condition, and
b) provided for the diagnosis and treatment of the medical condition, and
c) within standards of acceptable, prudent medical practice within the community, and
d) not primarily for the convenience of the beneficiary, the beneficiary's Provider or another Provider, and
e) any condition which, if left untreated, could deteriorate into a life threatening situation, and
f) the most appropriate supply or level of service that can safely be provided. For hospital stays, this means that the acute care as an inpatient is necessary due to the kind of services the Beneficiary is receiving or the severity of the Beneficiary's condition, and that safe and adequate care cannot be received as an outpatient or in a less intensified medical setting.

2.6 "Beneficiaries" means all persons eligible for benefits provided by DRS as determined by established criterion.

2.7 "Network Provider" means an Infusion Therapy Provider who has entered into this Contract with DRS to accept scheduled reimbursement for pre-authorized Infusion Therapy services provided to beneficiaries.

2.8 “Prior Authorization” means a function performed by DRS to assess the health care services available to the beneficiary and authorize appropriate services prior to services being rendered.

2.9 "Third Party Payor" means an insurance company or other entity making payment directly to the Provider on behalf of DRS.

III. RELATIONSHIP BETWEEN DRS AND THE INFUSION THERAPY PROVIDER

3.1 DRS has negotiated and entered into this Contract with the Provider on behalf of the individuals who are Beneficiaries of DRS. The Provider is an independent contractor who has entered into this Contract to become a Network Provider and is not, nor is intended to be, the employee, agent or other legal representative of DRS in the performance of the provisions of this Contract. Nothing in this Contract shall be construed or be deemed to create a relationship contrary to that of independent contractor for the purposes of this Contract.

3.2 Nothing in this Contract is intended to be construed, or be deemed to create any rights or remedies in any third party, including but not limited to, a beneficiary or a Network Provider other than the Provider named in this contract.

IV. INFUSION THERAPY PROVIDER SERVICES AND RESPONSIBILITIES

4.1 The Provider agrees to provide quality Infusion Therapy services in a cost efficient manner.
4.2 For the purpose of reimbursement, the Provider shall provide Infusion Therapy services to beneficiaries that are medically necessary and pre-authorized under the established benefits of DRS.

4.3 The Provider agrees to submit billing data and records of treatment in the manner and form prescribed by DRS. The individual’s medical case records will be available during regular working hours to authorized representatives of DRS. The Provider agrees to retain one copy of the billing data and records of treatment and all other records upon which a claim is based, in its file for a period of 6 years.

4.4 It is understood that any person seeking medical services has the right to make application for payment on his behalf by DRS for compensable services provided by the Provider. The Provider and/or Provider’s office staff agrees to assist the patient in making application for such care and services.

4.5 The Provider shall participate in the Prior Authorization procedures as established by DRS.

4.6 The Provider shall accurately complete the Network Provider application that is attached to and made part of this Contract. The Provider shall notify DRS’ Network Manager of any change in the information contained in the application within 15 days of such change, including resolved litigation listed as “pending” on the original application.

4.7 The Provider shall submit to a patient record audit upon 48 hours advance notice.

4.8 Authorized representatives of DRS shall have the right to make physical inspections of the Provider’s office and to examine such records as they relate to financial statements submitted under this Contract or to payments claimed by the Provider under this Contract; and to conduct audits of the financial records of the Provider at any time, as provided by the Code of Federal Regulations, Title 34 § 74.53.

4.9 The Provider agrees that all information provided is true, accurate and complete. The Provider understands that payment and satisfaction of all claims will be from Federal and State funds, and that any false claims, statements or documents, or concealment of a material fact, may subject Provider to prosecution under applicable Federal and State laws. The Provider further agrees that work, services or materials shown by any invoice or claim have been completed or supplied in accordance with the plans, specifications, order or requests furnished. The Provider further agrees that no payment has been made, given or donated or agreed to pay, give or donate, either directly or indirectly to any elected official, officer or employee of the State of Oklahoma of money or any other thing of value to obtain payment.

4.10 The Provider agrees to disclose to DRS, prior to approval or renewal of this Contract, the name of any person who has an ownership or controls an interest in, or is an agent or managing employee of the Provider who has been convicted of a criminal offense related to such person’s involvement in any program under Titles V, XVIII, XIX, or XX of the Social Security Act since inception of these programs.
4.11 The Provider shall disclose ownership and control interests at the time of entering into this Contract on the required Federal reporting form and at other times that DRS may require and in a form designated by DRS.

4.12 The Provider agrees to submit, within 35 days of the date on a request by DRS full and complete information about:

a) The ownership of any subcontractor with whom the Provider has had business transactions totaling more than $25,000 during the twelve month period ending on the date of the request;

b) Any significant business transactions between the Provider and any wholly owned supplier, or between the Provider and subcontractor, during the 5 years period ending on the date of the request.

4.13 The Provider agrees and understands that payment cannot be made by DRS to Providers providing care and/or services under Federally-assisted programs unless care and/or service is provided without discrimination on the grounds of race, color, national origin, disability or unless program enabling legislation permits on the basis of age. This assures DRS is in compliance with the Title 34, Code of Federal Regulations, § 76.500. These laws and regulations prohibit excluding from participation in, denying the benefits of, or subjecting to discrimination, under any program or activity receiving Federal Financial Assistance, any person on the grounds of race, color, national origin, any qualified person on the basis of disability or without distinctions made on the basis of age except as legislatively permitted or required. Written complaints of non-compliance with either law should be made to the Director of Rehabilitation Services, 3535 NW 58th St., Ste. 500, Oklahoma City, Oklahoma 73112.

V. DRS SERVICES AND RESPONSIBILITIES

5.7 DRS shall give a forty-eight hour (48) notice prior to an audit.

5.8 DRS shall establish and maintain prior authorization procedures.
VI. COMPENSATION AND BILLING

6.1 The Provider shall seek payment only from DRS for the provision of Infusion Therapy services except as provided in paragraph 6.3. The payment from DRS shall be limited to the amounts referred to in paragraph 6.2.

6.2 DRS agrees to pay the Provider’s billed charge for each procedure or the fee set by DRS for that procedure, whichever is less. DRS shall have the right to categorize what shall constitute a procedure. DRS and the beneficiary’s financial liability shall be limited to the procedure’s allowable as determined by DRS, paid by applying appropriate coding methodology, whether the Provider has billed appropriately or not.

6.3 The Provider agrees to accept the payment from DRS as full and complete payment for services for recipients of public assistance. If the patient is a recipient of Medical Assistance, Rehabilitation Services only, payment from the Department shall represent payment in full except the Provider may collect an amount not to exceed that shown on DRS form, DRS-C-100, Medical Services Authorization.

The Provider shall furnish, upon request at no cost, all information, including medical records, reasonable required by DRS to verify and substantiate the provision of medical services and the charges for such services if the beneficiary and the Provider are seeking reimbursement through DRS.

6.6 DRS shall reimburse the Provider within 30 days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. DRS will not be responsible for delay of reimbursement due to circumstances beyond DRS’ control.

6.7 The Provider agrees to release all Provider liens for which payment has been made for Title XIX by DRS and notify DRS. However, this provision does not affect the Provider’s entitlement to file a lien or liens for non-pre-authorized services.

6.8 DRS shall have the right at all reasonable times and to the extent permitted by law to inspect and duplicate all medical and billing records relating to medical services rendered to beneficiaries at no cost to DRS or the beneficiary.

VII. UTILIZATION MANAGEMENT

7.1 The Provider shall adhere to and cooperate with DRS’s established Prior Authorization procedures. These procedures do not guarantee a beneficiary’s eligibility or that benefits are payable, but assure the Provider that the medical services to be provided are pre-authorized under the plan.

7.2 The Infusion Therapy Provider shall request prior authorization from DRS or its designee
for all Infusion Therapy services.

7.3 Prior Authorization procedures are intended to enable DRS to ensure that services are provided at the appropriate level of care. In no event is it intended that the procedures interfere with the Provider’s decision regarding the patient’s care.

VIII. LIABILITY AND INSURANCE

8.1 Neither party to this Contract, DRS nor the Provider, nor any agent, employee or other representative of a party, shall be liable to third parties for any negligent act by commission or omission of the other party in performance of this Contract and the terms and provisions herein.

8.2 The Provider, at Provider’s sole expense, shall maintain a minimum of $1,000,000 per occurrence of insurance coverage for professional liability.

Nothing in this Article shall interfere with either party's rights under Article X.

X. TERM AND TERMINATION

10.1 The term of this Contract shall be for one year commencing on the prescribed date, or the effective date on the signature page, whichever is later, and shall remain in effect until terminated by either party subject to 10.2.

10.2 Either party may terminate this Contract with or without cause, upon giving 30 day notice pursuant to 11.2.

10.3 Nothing in this Contract shall be construed to limit either party's remedies at law or in equity in the event of a material breach of this Contract.

10.4 This Contract shall terminate with respect to a Provider upon failure to maintain Provider's professional liability insurance in accordance with this Contract.

10.5 Following the effective date of termination, this Contract shall be of no further force or effect, except that each party shall remain liable for any obligations or liabilities arising from activities carried on by it hereunder prior to the effective date of termination of this Contract.

10.6 Following termination of this Contract, DRS shall continue to have access to the Provider records of equipment provided to beneficiaries for 6 years from the date of provision of the services to which the records refer as set forth in Paragraph 6.8.
