## **Laboratory Contract**

It is hereby agreed between the Oklahoma Department of Corrections and the Laboratory named on the signature page, that the Laboratory shall be a provider in the Oklahoma Department of Corrections' Network of Providers.

This Contract is entered into for the purpose of defining the conditions for reimbursement by the Oklahoma Department of Corrections to the Laboratory. It in no way is meant to impact on the Laboratory's decision as to what is considered appropriate medical treatment.

### **I. RECITALS**

- 1.1 The Oklahoma Department of Corrections (hereinafter, the DOC) is a statutory body created by 57 O.S., § 505 et seq., as amended, to administer and manage the incarceration of persons who have committed criminal offences or are otherwise subjected to criminal sanctions within the State of Oklahoma.
- 1.2 The Laboratory shall be qualified and duly certified by the Clinical Laboratory Improvement Act of 1988 (CLIA) and certified to participate in the Medicare program under Title XVII of the Social Security Act, and shall comply with all applicable federal, state and local laws regulating such a laboratory providing clinical laboratory health services and satisfies additional credentialing criteria as established by the DOC.
- 1.3 The intent of this Contract is to provide access to enhanced quality health care, utilizing managed care components at an affordable, competitive cost to the DOC.
- 1.4 Failure to abide by any of the following provisions may result in non-renewal of the Contract or may be cause for termination.

### **II. DEFINITIONS**

- 2.1 "Allowable Fee" means the maximum charge payable to a Laboratory for a specific procedure in accordance with the provisions in Article VI of this Contract.
- 2.2 "Emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in a condition described in clause (i), (ii), or (iii) of section 1867(e)(1)(A) of the Social Security Act (42 U.S.C. 1395dd(e)(1)(A)).
- 2.3 "Laboratory Services" means those laboratory services that are covered by the DOC.
- 2.4 "Medical" means belonging to the study and practice of medicine for the prevention, alleviation or management of a physical or mental defect, illness, or condition.

- 2.5 "Medically Necessary" means services or supplies that, under the provisions of this Contract, are determined to be:
- a) appropriate and necessary for the symptoms, diagnosis or treatment of the medical condition, and
  - b) provided for the diagnosis and treatment of the medical condition, and
  - c) within standards of acceptable, prudent medical practice within the community, and
  - d) not primarily for the convenience of the Inmate, the Inmate's Laboratory or another provider, and
  - e) any condition which, if left untreated, could deteriorate into a life threatening situation, and
  - f) the most appropriate supply or level of service that can safely be provided. In the event of an inpatient stay, acute care is necessary due to the types of services the Inmate is receiving or the severity of the inmate's condition, and that safe and adequate care cannot be received as an outpatient or in a less intensified medical setting.
- 2.6 "Medical Services" means the professional services provided by a Network Laboratory and covered by the DOC's Plan.
- 2.7 "Inmates" means all persons within the DOC's custody for whom the DOC is required to furnish medical care and services.
- 2.8 "Network Laboratory" means a certified Laboratory that has entered into this Contract with the DOC to accept scheduled reimbursement for covered medical services provided to Inmates.
- 2.9 "Network Physician" means a licensed practitioner of the healing arts who has entered into a Contract with the DOC to accept scheduled reimbursement for covered medical services provided to Inmates.
- 2.10 "Prior Authorization" means a function performed by the DOC, or its designee, to review for medical necessity in identified areas of practice as defined at 7.11 of this Contract, prior to services being rendered.
- 2.11 "Referral Process" means a process by which the DOC handles the authorization, scheduling, tracking and monitoring of all medical service appointments outside the DOC. The process begins with the appropriate DOC provider diagnosing the patient with a condition that requires treatment not available within the DOC's Medical Services Division. The DOC's provider forwards the referral to the DOC's regional physician to obtain approval for the patient to access a Laboratory outside of the prison and/or county jail. The regional physician approves or denies the outside referral by checking the appropriate box on the referral form. The DOC's provider contacts the outside provider and the appointment is scheduled. In some cases, a telephone conference between the referring DOC provider and the outside provider may be warranted. In the event a

procedure needs to be performed that is not indicated on the Referral Record as approved by the DOC's regional physician, a telephone conference between the outside provider and the referring provider shall be necessary.

- 2.12 "Consultation Documentation Process" means a process by which a two-page document called a "Referral Record" is completed with the necessary attachments. The "Referral Record" shall be delivered by the DOC's Corrections Officer that accompanies the inmate to the outside provider's location. The form provides information to the receiving outside provider and if more information is needed, it shall be obtained via the telephone. The second page of the "Referral Record" shall be completed by the outside provider and shall document significant findings, tests and recommendations. In the event of an emergency room visit or inpatient stay, the discharge summary shall be attached to the "Referral Record" or it shall be forwarded to the DOC's medical facility when completed. In the event any follow-up appointments are deemed necessary, it shall be documented on page two of the "Referral Record" before it is sent back to the DOC's referring provider via the DOC's Correctional Officer that accompanies the inmate.
- 2.13 "Follow-Up Appointments" means any additional visits deemed necessary by the outside provider and documented on page two of the "Referral Record". In some cases, this information may also be correlated with the DOC's referring provider via the telephone. The DOC's regional physician shall approve all follow-up appointments. The outside provider will be notified in the event approval is denied. The outside provider shall not inform the inmate regarding potential follow-up visits.

### **III. RELATIONSHIP BETWEEN THE DOC AND THE LABORATORY**

- 3.1 The Laboratory is an independent contractor that has entered into this Contract to become a Network Laboratory and is not, nor is intended to be, the employee, agent or other legal representative of the DOC in the performance of the provisions of this Contract. Nothing in this Contract shall be construed or be deemed to create a relationship contrary to that of independent contractor for the purposes of this Contract.
- 3.2 The DOC and the Laboratory agree that all of the parties hereto shall respect and observe the Laboratory/patient relationship which will be established and maintained by the Laboratory. The Laboratory may choose not to establish a Laboratory/patient relationship if the Laboratory would have otherwise made the decision not to establish a Laboratory/patient relationship had the patient not been an Inmate. The Laboratory reserves the right to refuse to furnish services to an Inmate in the same manner as they would any other patient.
- 3.3 Nothing in this Contract is intended to be construed, or be deemed to create any rights or remedies of any third party, including but not limited to, an Inmate or a Network Provider other than the Laboratory named in this Contract.

#### **IV. LABORATORY SERVICES AND RESPONSIBILITIES**

- 4.1 The Laboratory shall provide quality, medically necessary Laboratory services to Inmates, in a cost efficient manner, when such services are ordered by a licensed practitioner of the healing arts, who is a member of the Laboratory's medical staff and has been awarded the prerequisite clinical privileges to order and/or perform such services. Nothing in this Contract shall be construed to require the Laboratory to perform any procedure which is deemed professionally unacceptable or is contrary to Laboratory policy.
- 4.2 The Laboratory shall provide Laboratory services to Inmates in the same manner and quality as those services are provided to all other patients of the Laboratory.
- 4.3 The Laboratory has, and shall maintain, in good standing while this Contract is in effect, all licenses required by law, and if applicable, certification to participate in the Medicare program under Title XVIII of the Social Security Act and/or Joint Commission certification and certification by the Clinical Laboratory Improvement Amendment.
- 4.4 The Laboratory agrees to make reasonable efforts to refer covered Inmates to other Network Facilities with which the DOC contracts, for medically necessary services that the Laboratory cannot or chooses not to provide. Failure of the Laboratory to use Network Providers will result in a review pursuant to the credentialing plan.
- 4.5 The Laboratory shall furnish, at no cost to the DOC or the Inmate, any medical and billing records covering any Laboratory services, for any Inmate for which the DOC has statutory responsibility for medical care.
- 4.6 The Laboratory shall accurately complete the Network Laboratory Application which is attached to and made part of this Contract. The Laboratory shall notify the DOC of any change in the information contained in the Application within 15 days of such change, including resolved litigation listed as "pending" on the original Application.
- 4.7 The Laboratory shall reimburse the DOC for any overpayments made to the Laboratory within 30 days of the Laboratory's receipt of the overpayment notification.
- 4.8 The Laboratory shall submit to a patient record audit upon 48 hours advance notice.

#### **V. DEPARTMENT OF CORRECTIONS SERVICES AND RESPONSIBILITIES**

- 5.1 The DOC agrees to pay the Laboratory compensation pursuant to the provisions of Article VI, subject to appropriate application of procedural coding recommendations.
- 5.2 The DOC agrees to grant the Laboratory the status of "Network Laboratory" and to identify the Laboratory as a Network Laboratory on information disseminated to DOC facilities.

- 5.3 The DOC agrees to continue listing the Laboratory as a Network Laboratory until this Contract terminates.
- 5.4 The DOC agrees to periodically provide the Laboratory with access to a listing of all Network Facilities.
- 5.5 The DOC agrees to provide appropriate identification cards for Inmates.
- 5.6 The DOC agrees to acknowledge the confidentiality of patient's records and to only release pertinent clinical information in accordance with state and federal guidelines.
- 5.7 The DOC shall give a 48 hour notice prior to an audit.

## **VI. COMPENSATION AND BILLING**

- 6.1 The Laboratory shall seek payment only from the DOC for the provision of medical services except as provided in paragraphs 6.3 and 6.4. The payment from the DOC shall be limited to the amounts referred to in paragraph 6.2.
- 6.2 The DOC agrees to pay the Laboratory's billed charges for each procedure or the fee set by the DOC for that procedure, whichever is less. Payment is allowed when the Inmate has received medically necessary covered services subject to the following policy limitations and conditions.
  - a) The DOC shall have the right to categorize what shall constitute a procedure. The DOC's and the Inmate's financial liability shall be limited to the procedure's allowable as determined by the DOC, paid by applying appropriate coding methodology, whether the Laboratory has billed appropriately or not.
  - b) The Laboratory agrees not to charge more for medical services to Inmates than the amount normally charged (excluding Medicare) by the Laboratory to other patients for similar services. The Laboratory may, however, contract with other third party payors for services. The Laboratory's usual and customary charges may be requested by the DOC and verified through an audit.
- 6.3 The Laboratory shall refund within 30 days of discovery to the Inmate any overpayment made by the DOC.
- 6.4 The Laboratory shall bill the DOC on form CMS-1500, in accordance with CMS guidelines, within 60 days of providing the laboratory services. The Laboratory shall use the current CPT codes with appropriate modifiers and ICD-9 diagnostic codes, when applicable. The Laboratory shall furnish, upon request at no cost, all information, including medical records, reasonably required by the DOC to verify and substantiate the provision of medical services and the charges for such services.
- 6.5 The DOC shall reimburse the Laboratory within 30 days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. The

DOC will not be responsible for the delay of reimbursement due to circumstances beyond the DOC's control.

- 6.6 The DOC shall have the right at all reasonable times and to the extent permitted by law, to inspect and duplicate all medical and billing records relating to medical services rendered to covered Inmates at no cost to the DOC or the Inmate.

## **VII. REFERRAL PROCESS**

- 7.1 The Laboratory shall adhere to and cooperate with the DOC's Referral Process as defined in Section 2.11 of this contract.

## **VIII. CONSULTATION DOCUMENTATION PROCESS**

- 8.1 The Laboratory shall adhere to and cooperate with the DOC's Consultation Documentation Process as defined in Section 2.12 including follow-up appointments as defined in Section 2.13.

## **IX. LIABILITY AND INSURANCE**

- 9.1 Neither party to this Contract, the DOC nor the Laboratory, or any agent, employee or other representative of a party, shall be liable to third parties for any act by commission or omission of the other party in performance of this Contract and the terms and provisions herein.
- 9.2 The Laboratory shall be required to obtain general and medical liability coverages for claims of acts and omissions of the Laboratory and its employees and agents. Such coverage shall be maintained at a level of not less than that which is mandated by state statute or less than \$1,000,000 per incident, when the Laboratory is not regulated by statute. The DOC shall be notified 30 days prior to cancellation. If coverage is lost or reduced below specified limits, this Contract may be canceled by the DOC.

## **X. DISPUTE RESOLUTION**

- 10.1 The DOC and the Laboratory agree that their authorized representatives will meet in a timely manner, and negotiate in good faith, to resolve any problems or disputes that may arise in performance of the terms and provisions of this Contract. Nothing in this Article shall interfere with either party's rights under Article XI.

## **XI. TERM AND TERMINATION**

- 11.1 It is agreed by the parties that no changes to the Contract, which include coverages or fee reimbursements, shall be made with less than 60 days' notice to all affected parties.
- 11.2 Either party may terminate this Contract with or without cause, upon giving 30 day notice pursuant to 12.2 at any time during the term of this Contract.

- 11.3 Nothing in this Contract shall be construed to limit either party's remedies at law or in equity in the event of a material breach of this Contract.
- 11.4 Following termination of this Contract, the DOC shall continue to have access, at no cost to the DOC, to the Laboratory's records of care and services provided to Inmates for five years from the date of provision of the services to which the records refer as set forth in paragraph 6.6.
- 11.5 This Contract shall terminate with respect to a Laboratory upon:
- a) the loss or suspension of the Laboratory's license to operate in the state of residence, CLIA certification, Joint Commission/Medicare certification; or
  - b) the Laboratory does not maintain the Laboratory's professional and general liability coverage in accordance with this Contract.

## **XII. GENERAL PROVISIONS**

- 12.1 This Contract, or any of the rights, duties, or obligations of the parties hereunder, shall not be assigned by either party without the express written consent and approval of the other party.
- 12.2 At any place within this Contract that notice is required, it is the intention of the parties that only those with regard to termination by either party of participation in the Contract must be sent by certified mail, a return receipt requested, at no other time when notice is required by this Contract is there an obligation by either party to use certified mail.
