- 1.3 The intent of this Contract is to provide access to enhanced quality health care, utilizing Network Facilities at an affordable, competitive cost to the DOC.
 - In consideration of the mutual covenants, promises and other good and valuable consideration, DOC and the Facility agree as follows:

- 2.1 "Allowable Fee" means the maximum amount payable to a Facility by DOC and Inmate for Covered Services furnished pursuant to this Contract.
- 2.2 "ALOS" means the Geometric Average Length of Stay
- 2.3 "Base Rate" means a dollar amount established by DOC by which the MS-LTC-DRG Relative Weight is multiplied to obtain the MS-LTC-DRG Allowable Fee.

- 2.5 "CMS" means Centers for Medicare and Medicaid Services.

- 2.9 "Emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in a condition described in clause (i), (ii), or (iii) of section 1867(e)(1)(A) of the Social Security Act (42 U.S.C. 1395dd(e)(1)(A)).
- 2.10 "Facility Services" means those acute care inpatient and outpatient Facility Services that are covered by the DOC.

- 2.13 "High Cost Outlier Allowable Fee" shall be determined as outlined in Article 6.4.
- 2.14 "Interrupted Stay" means a case in which a patient is discharged and then admitted directly to an inpatient acute care hospital, an Inpatient Rehabilitation Facility (IRF), a Skilled Nursing Facility (SNF) or a swing-bed and then returns to the same Facility within a fixed period of time. Currently, Medicare has determined the fixed period of time for each provider type is as follows:

 - b) Inpatient Rehabilitation Facility (IRF) 27 days or less
 - c) Skilled Nursing Facility (SNF) 45 days or less
 - d) Swing-bed hospital 45 days or less

An Interrupted Stay is treated as one discharge for the purposes of payment and only one MS –LTC DRG payment is made.

- 2.15 "LTC" means a Long-Term Acute Care Hospital with an average length of stay of greater than 25 days. LTC facilities are identified by the last four digits of the Medicare provider number, which range between "2000" and "2299". LTCs can be a satellite and/or hospital- within-a-hospital or co-located within another facility.
- 2.16 "Medically Necessary" means services or supplies which are provided for the diagnosis and treatment of the medical and/or mental health/substance abuse condition and complies

with criteria adopted by DOC. Direct care and treatment are within standards of good medical practice within the community and are appropriate and necessary for the symptoms, diagnosis or treatment of the condition. The services or supplies must be the most appropriate supply or level of service which can safely be provided. For hospital stays, this means that inpatient acute care is necessary due to the intensity of services the Inmate is receiving or the severity of the Inmate's condition, and that safe and adequate care cannot be received as an outpatient or in a less intensified medical setting. The services or supplies cannot be primarily for the convenience of the Inmate, caregiver or provider. - 2.20 "MS-LTC-DRG Allowable Fee" means the MS-LTC-DRG relative weight as published by CMS multiplied by the Base Rate. For purposes of this contract, the MS-LTC-DRG Allowable Fee, as established by DOC shall serve as the payment rate, unless the reimbursement is to be a Short-Stay Outlier or a High Cost Outlier.
- 2.21 "MS-LTC-DRG Relative Weight" means the current version of the Relative Weight published by CMS for each MS-LTC-DRG.
- 2.22 "Network Facility" means a certified facility that has entered into this Contract with the DOC to accept scheduled reimbursement for covered Medical Services provided to Inmates.

 - b) covered by the DOC but inappropriately billed and therefore excluded for reimbursement based on the clinical editing software.

- 2.25 "Referral Process" means a process by which the DOC manages the authorization, scheduling, tracking and monitoring of all Medical Service appointments outside the DOC.

The Facility is an independent contractor that has entered into this Contract to become a Network Facility and is not, nor is intended to be the agent or other legal representative of DOC in the performance of the provisions of this Contract. Nothing in this Contract shall be construed or be deemed to create a relationship contrary to that of independent contractor for the purposes of this Contract.
- 3.2 DOC and the Facility agree that all of the parties hereto shall respect and observe the facility/patient relationship which will be established and maintained by the Facility. The Facility may choose not to establish a facility/patient relationship if the Facility would have otherwise made the decision not to establish a facility/patient relationship had the patient not been an Inmate. The Facility reserves the right to refuse to furnish services to an Inmate in the same manner as they would any other patient.
- 3.3 Nothing in this Contract is intended to be construed, or be deemed to create any rights or remedies of any third party, including but not limited to, Network Facilities that are not identified by this Contract, except DOC Inmates defined in this Contract.

IV. FACILITY SERVICES AND RESPONSIBILITIES

4.1 The Facility shall provide quality, Medically Necessary Facility Services to Inmates, in a cost efficient manner, when such services are ordered by a licensed practitioner, who is a member of the Facility's medical staff and has been awarded the prerequisite clinical privileges to order and/or perform such services. Nothing in this Contract shall be construed to require the medical staff of the Facility to perform any procedure or course of treatment which the staff deems professionally unacceptable or is contrary to Facility policy.

- 4.2 The Facility shall provide Facility Services to Inmates in the same manner and quality as those services are provided to all other patients of the Facility.
- 4.3 The Facility has, and shall maintain, in good standing while this Contract is in effect, all licenses required by law, and if applicable, certification to participate in the Medicare program under Title XVIII of the Social Security Act and/or The Joint Commission.
- 4.4 The Facility agrees to make reasonable efforts to refer covered Inmates to other Network Facilities with which DOC contracts for Medically Necessary Services that the Facility cannot or chooses not to provide.

The Facility shall notify DOC of any change in the information contained in the Application within fifteen (15) days of such change, including resolved litigation listed as "pending" on the original Network Facility Application.
- 4.8 The Facility shall reimburse DOC for any overpayments made to the Facility within sixty (60) days of the Facility's receipt of the written overpayment notification or shall respond with detail within said time if Facility disputes the request for additional payment. DOC shall provide the Facility individual letters of retraction for each patient sixty (60) days prior to the retraction being made.

As an exception DOC will immediately deduct overpayments due to resubmission of a corrected claim, or if information is received for a claim pending additional information that subsequently impacts a paid claim or a mutually agreed to audit adjustment.

DOC shall be entitled to additional payment if, within two years from the date of payment, DOC notifies Facility, in writing of the overpayment.

If Facility disputes the request for additional payment, the Parties shall work cooperatively and in good faith to resolve the payment issue on an informal basis within sixty (60) days of the first notification of the overpayment. If the Parties' attempt to resolve the issue is unsuccessful, then the dispute concerning the incorrect payment shall be resolved in accordance with the Dispute Resolution Process provided in Article X.

4.9 The Facility shall submit to an Inmate record audit upon fourteen (14) business days advance notice.

4.10 The Facility shall comply with the national standards for the electronic exchange of administrative and financial health care transactions required by the Health Insurance Portability and Accountability Act of 1996, hereinafter "HIPAA".

V. DOC SERVICES AND RESPONSIBILITIES

- 5.1 DOC agrees to pay the Facility compensation pursuant to the provisions of Article VI.
- 5.2 DOC agrees to grant the Facility the status of "Network Facility" and to identify the Facility as a Network Facility on informational materials disseminated to Inmates.
- 5.3 DOC agrees to continue listing the Facility as a Network Facility until this Contract terminates.
- 5.4 DOC agrees to provide the Facility with access to a listing of all Network Facilities via the Internet.
- 5.5 DOC agrees to acknowledge the confidentiality of patient's records and to only release pertinent clinical information in accordance with state and federal guidelines.
- 5.6 DOC shall give fourteen (14) business days' notice prior to an audit. Under no circumstances shall an audit of medical records by DOC delay payment to Facility under Article VI.
- 5.7 DOC shall maintain Certification and Concurrent Review programs in accordance with the Utilization Review Accreditation Commission's, hereinafter "URAC," standards in order to aid its Inmate in making decisions that will maximize medical benefits and reduce their financial risk.
- 5.8 DOC shall reimburse underpayments to the Facility within thirty (30) days of DOC's receipt of underpayment notification, or shall respond with detail within said time if DOC disputes the request for additional payment. Facility shall be entitled to additional payment if, within two (2) years from the date of payment, Facility notifies DOC in writing of the under payment. If DOC disputes the request for additional payment, the Parties shall work cooperatively and in good faith to resolve the payment issue on an informal basis within sixty (60) days of the first notification of underpayment. If the Parties attempt to resolve the issue is unsuccessful, then the dispute concerning the payment shall be resolved in accordance with the Dispute Resolution Rights provided in Article X.
- 5.9 DOC shall comply with the national standards for the electronic exchange of administrative and financial health care transactions required by HIPAA.

VI. COMPENSATION AND BILLING

- 6.1 The Facility shall only seek payment from DOC for the provision of Covered Services. The payment shall be calculated and limited to the methodologies defined by this Contract.
- 6.2 When the Allowable Fee exceeds billed charges, DOC shall pay the appropriate percentage of the Allowable Fee and Inmate shall pay the appropriate percentage of billed charges unless the Inmate has met the stop loss limitation and then DOC shall pay the Allowable Fee and the Inmate has no liability. A list of the CPT/HCPCS codes and the Allowable Fee for each can be found at the DOC website at www.ok.gov/sib/providers. It is DOC's intent to review and update the fee schedule annually. It is DOC's further intent to update the list as it deems necessary when new CPT/HCPCS codes are identified by the American Medical Association or CMS.
- 6.3 When processing inpatient claims, DOC agrees to pay the Facility the Allowable Fee based on appropriate billing according to the following:
 - a) DOC shall pay the appropriate percentage of the MS- LTC- DRG Allowable Fee and the Inmate has no liability.
 - b) The MS-LTC-DRG shall be controlling, subject to DOC's approval and Article X of the Contract.
 - c) The MS-LTC-DRG Allowable Fee does not include any physician professional component fees, which are considered for payment according to separately billed Current Procedural Terminology code Allowable Fees.
 - d) DOC shall include the day of admission but not the day of discharge when computing the number of facility days provided to an Inmate. Observation Facility confinements for which a room and board charge is incurred shall be paid based on inpatient benefits.
 - e) DOC shall use the current version of the MS-LTC-DRG grouper to categorize what shall constitute a procedure. DOC's and the Inmate's financial liability shall be limited to the Allowable Fee as determined by DOC.
 - f) The Facility agrees not to charge more for Medical Services to Inmates than the amount normally charged by the Facility to other patients for similar services.
- 6.4 DOC shall determine the Allowable Fee to a Facility for an unadjusted MS-LTC-DRG according to the following formula:

MS-LTC-DRG Allowable Fee = MS-LTC-DRG Relative Weight as published by CMS x
Base Rate

6.5 Short-Stay Outlier mean a case that has a length of stay between one day and up to and including 5/6 of the ALOS for the MS-LTC-DRG to which the case is grouped. In the case of a Short-Stay Outlier, the Short-Stay Outlier Allowable Fee for the Facility shall be calculated as follows:

Per Diem for Short-Stay Outlier = MS-LTC-DRG Allowable Fee ÷ Geometric Average Length of Stay as published by CMS

Short-Stay Outlier Allowable Fee = the lesser of the MS-LTC- DRG Allowable Fee or (Per Diem for Short-Stay Outlier x actual length of stay x 120%)

Short-Stay Outliers are also eligible for high cost outlier payments if the costs exceed the outlier threshold.

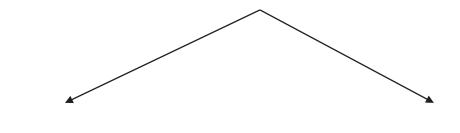

6.6 "High Cost Outlier Allowable Fee" means cases that have unusually high cost. In the case of a High Cost Outlier, the High Cost Outlier Allowable Fee for the Facility shall be calculated as follows:

High Cost Outlier Allowable Fee = ([Billed Charges – Disallowed Charges) x Cost to Charge Ratio] – MS-LTC-DRG Allowable Fee – Outlier Threshold) x 80% + MS-LTC-DRG Allowable Fee

In the case of Interrupted Stays, if the length of stay at the receiving Facility is equal to or less than applicable fixed period of time, it is considered to be an Interrupted Stay case and is therefore treated as a single (one) discharge for the purpose of payment. Only one MS-LTC-DRG payment will be made. Each interrupted period that occurs shall be evaluated individually regarding the number of days at the intervening Facility to determine if it meets the requirements of the Interrupted Stay policy. An Interrupted Stay" is determined in accordance with the following flow chart prepared by CMS.

- 6.8 When processing Outpatient claims, DOC agrees to pay the Facility the Allowable Fee based on appropriate billing according to the following:
 - a) If a procedure does not have an Allowable Fee, DOC will allow a percentage of the billed charges for Covered Services.
 - b) The facility agrees not to charge more for Medical Services to Inmates than the amount normally charged by the Facility to other patients for similar services.
 - c) The Facility agrees that DOC utilizes a comprehensive claims editing system to assist in determining which charges for Covered Services to allow for payment and to assist in determining inappropriate billing and coding. Said system shall rely on Medicare and other industry standards in the development of its mutually exclusive, incidental, re-bundling, age conflict, gender conflict. Cosmetic, experimental and procedure editing, DOC shall provide the Facility, upon request from Facility, detailed information about the processes employed in the claims editing system adopted by DOC.
- 6.9 In a case in which DOC is primary under applicable coordination of benefit rules, DOC shall pay the amounts due under this Contract. In a case in which DOC is other than primary under the coordination of benefit rules, DOC shall pay the Inmate's liability for out of pocket expenses such as deductibles, copayments or coinsurance, under the primary policy, up to DOC's maximum liability under the terms of the Contract. No payment will be made for any charge that is not an allowed expense or an amount for which the Inmate is contractually held harmless under any coordinating policy.
- 6.10 The Facility may not bill an Inmate for Non-covered Services or the difference between the paid amount and the billed charge.
- days of providing the Facility Services, or receipt of primary payors explanation of benefits, or from discovery that DOC is responsible for payment. The facility shall use the current CPT/HCPCS codes with appropriate modifiers and ICD diagnostic codes, when applicable. The facility shall furnish, upon request at no cost, all applicable medical and billing records, reasonably required by DOC to verify and substantiate the provision of Medical Services and the charges for such services if the Inmate and the Facility are requesting reimbursement through DOC. This provision shall not apply in cases involving litigation, multiple payors, or where the patient has failed to notify the Facility that they were an Inmate.
- 6.12 DOC shall reimburse the Facility within forty-five (45) days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this contract. DOC will not be responsible for the delay or reimbursement due to circumstances beyond DOC's control.

VII. REFERRAL PROCESS

7.1 The Referral Process begins with the appropriate DOC provider diagnosing the patient with a condition that requires treatment not available within the DOC's Medical Services Division. The DOC's provider forwards the referral to the DOC's regional physician to obtain approval for the Inmate to access a Network Facility outside of the prison and/or county jail. The regional physician approves or denies the outside referral by checking the appropriate box on the referral form.

7.2 The DOC's provider contacts the Network Facility and the appointment is scheduled. In some cases, a telephone conference between the referring DOC provider and the outside provider may be warranted. In the event a procedure needs to be performed that is not indicated on the referral record as approved by the DOC's regional physician, a telephone conference between the outside provider and the referring provider shall be necessary.

VIII. LIABILITY AND INSURANCE

- 8.1 Neither party to this Contract, the DOC nor the Facility, or any agent, employee or other representative of a party, shall be liable to third parties for any act by commission of the other party in performance of this Contract and the terms and provisions herein.
